WHY THIS INVOICE

"Hi, I am Louis. I hope you remember me. I want to switch my studio cost invoice from monthly to yearly because of costs. Can you invoice me again?"

Why we billed this.

Each line traces back to the client's own words, what we remember agreeing, and the policy that allowed it.

CLIENT SAID	"Hi, I am Louis. I hope you remember me. I want to switch my studio cost invoice from monthly to yearly because of costs. Can you invoice me again?"
WE REMEMBERED	**Signed the website care plan at £500 per month, billed monthly**
CALCULATION	`1 × £5,000.00 = £5,000.00`
POLICY	P2 **Prices come only from the rate card.** P5 **Known clients only.** P8 **P8**

The language model only read the message and wrote this explanation. The price, the discount, the approval and the Stripe call were made by code, and each step is in the audit ledger under telegram-demo-21.
